

# A Special Invitation to Sponsor Large Prayer Wheels

**Tsoknyi Rinpoche has asked the International Friends of the Tsoknyi Nepal Nuns to offer our donors the opportunity to sponsor larger prayer wheels.**

The size of the prayer wheel and the accompanying plaque will be determined by the size of the sponsorship. Larger prayer wheels hold more prayers and have room inside for photos, small objects, and personal wishes to be placed.

The plaques for these larger prayer wheels can also accommodate more information. Multiple sponsor's and countries can be listed as well as individual messages and aspirations.

Large Prayer Wheels of almost any size can be constructed. Minimum \$24,000.

### **Suggested Sizes:**

- \$24,000 = same number of prayers as 20 prayer wheels
- \$48,000 = same number of prayers as 40 prayer wheels
- \$96,000 = same number of prayers as 80 prayer wheels
- \$108,000 = same number of prayers as 90 prayer wheels

The construction of Tsoknyi Gechak Ling has evolved into a \$10 million project. As we enter the last years of fundraising for this capital campaign, our goal is to raise the remaining \$300,000 needed to finish construction.

**Thank you for helping to complete the vision of Tsoknyi Rinpoche**
